Join artists worldwide in the **SAVE THE FROGS!** Art Contest

Nearly one-third of the world's amphibian species are threatened with extinction, and up to 200 frog species have completely disappeared since 1979, making frogs the most threatened group of animals on the planet! The goal of this contest is to spread awareness of the amphibian extinction crisis, and create cool frog art that can be used to raise money for **SAVE THE FROGS!** conservation efforts.

There will be cash prizes and the chance to have your artwork printed on an official **SAVE THE FROGS!** 100% organic cotton t-shirt.
