Join poets worldwide in the
SAVE THE FROGS!
Poetry Contest

Nearly one-third of the world's amphibian species are threatened with extinction, and up to 200 frog species have completely disappeared since 1979, making frogs the most threatened group of animals on the planet! The goal of this contest is to spread awareness of the amphibian extinction crisis, and create cool frog poetry that can be used to raise money for SAVE THE FROGS! conservation efforts.

Frogs,
The pinwheel of our earth,
The binding of our book,
The balance of our world,
Almost gone.

All ages can enter...
Please get your local
schools involved!
