

SAVE THE FROGS!

Music & Lyrics: Dianne Baker - Songs Alive!

REFRAIN: (a spirited march)

Save the frogs (save the frogs!) is our cry that is heard.

Save the frog (save the frogs!) across the land.

An important job we all have to do

Make certain that that ev'ryone will lend a helping hand.

VERSE #1

Don't litter, don't pollute, don't use chemicals

Don't keep frogs as pets and don't eat frog legs !!

These are the ways to make friends with the frogs!

VERSE #2

Do care for nature, do recycle, do plant more trees everywhere.

Do keep the water clean . Do protect our ponds and streams.

These are the ways to make friends with the frogs. *(refrain plus coda)*

CODA: (rit.)

Make certain that everyone will lend a helping hand *(may repeat)*

SAVE THE FROGS ! *(optional- "ribbit, ribbit")*

** older students may write a new verse telling of changes in frog life they observe...especially concerns about decrease in numbers of frogs and/or increase in frog deformities they can report .
